

Growing Thinking Students in Thinking Schools

TSI Thinking Schools Co-ordinators Course 2017

In partnership with the University of Exeter

Monday 27th & Tuesday 28th March 2017

Venue: Hillyfield at the Park, Walthamstow, London

Timings: 9.00am - 4.00pm

In partnership with the University of Exeter, Thinking Schools International has developed a whole school approach to the teaching of thinking.

This two-day course will enable co-ordinators to prepare for the journey of becoming a 'Thinking School.'

The course will include:

- > The key elements of what it means to be a 'Thinking School.'
- > The starting points for development as a 'Thinking School.'
- > The means to develop the thinking capacities of students of all ages and abilities.
- > An introduction to the tools and strategies that help to develop outstanding pedagogy and independent learning.
- > Key concepts that underpin the culture of Thinking Schools.

Co-ordinators will leave with:

- > An overview of a systematic and structured approach to the development of a 'Thinking School.'
- > A strategy for both reviewing existing positive practice within the school and for establishing the next steps in immediate and long term development.
